

## Clothing Guide

So you have a closet full of clothes, but nothing to wear. Here are a few ideas that will help improve your pictures...

### Seniors

Choose a VARIETY of outfits. It's a good idea to include both casual and more formal outfits in your portraits. You choose a couple and let mom choose one or two, that way everyone is happy. Bring a mixture of long & short sleeve tops, try to avoid plaids & stripes. Solid colors are always classic and look great.

### Children

Keep it simple. Select an outfit that doesn't compete with your child. Make your portrait more personal with blankets for the babies, their favorite toy, stuffed animals, etc.

### Family Groups

Couples or small groups should choose garments within the same tonal ranges. Choose colors that compliment each other. Plaids and stripes can be distracting, use patterns sparingly. Solid colors work best.
